

Dive into the Beth Sholom Men's Club Football Pool

Each player is randomly assigned one NFL team which will be retained for the entire NFL regular season. Every week of the season the participants whose team scores the highest and lowest points of the NFL games played that week each win \$50. If there is a tie in the highest or lowest points, the respective share (\$50) is divided by the number of tied teams.

No experience or football knowledge is required.
Deadline to dive in is September 7, 2015.

The contribution to join the pool is \$100.
Please mail your tax deductible check to:
